 - **PLEASE report to the registration desk upon arrival Saturday morning. For USA registered teams please provide a roster from the online registration system, if your region requires use of that system. Some teams mailed rosters to VFX already – those teams will need to confirm rosters at check-in time. VFX is printing the AES rosters as well. In addition one team packet will be distributed to each coach. The packet will have coupons for Bill Gray's included. Housing information will also be required at check-in along with a contact phone number in case the site coordinator needs to contact you for any reason.**
