

## Volley FX Winter Challenge Volunteer SIGN-UP FORM

All families will be responsible to volunteer to assist with the Volley FX Winter Challenge Tournament March 3-4 2007. This volleyball tournament will be held at numerous sites across the Rochester Region. This year's tournament will be the largest event ever hosted in the area (over 130 teams participating). To continue to draw teams from outside the region Volley FX needs your help before and after the tournament in making this a smoothly run event.

The following is a list of related jobs associated with the tournament that you can volunteer for. Some are prior to the event and some are the weekend of the tournament. Your ability to watch your daughter play will be impacted. Families will be dismissed from the tournament when the site has completed competition. This will enable us to volunteer to provide work teams for teams that have a long trip home. (Volley FX would want this to occur when we are at out of town tournaments.) You can sign-up for multiple jobs if you are interested. ***ALL families must participate.***

Site Coordinators (Training will be provided and multiple people will be needed at the sites).
